**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Sir:

This is a response to the February 25, 2010 Notice Of Non-Complaint Amendment for the above-caption patent application. In the Notice, the Examiner indicated that the claims for this case are non-compliant because new claims 29 and 30 contain sequences which did not include sequence id numbers.

Attached to this Response is a revised "Amendments to the Claims" section that included ID numbers for the two sequences listed in each of claims 29-30.

Respectfully submitted,

**MCDONNELL BOEHNEN  
HULBERT & BERGHOFF LLP**
